AUTHORIZATION FOR EMERGENCY MEDICAL SURGICAL TREATMENT

NOTE: It is the firm hope that the authorization granted on this form will never have to be used. However, for the safety of your child, sound medical practice calls for such authorization. In emergency situations where for some reason, the parent cannot be contacted immediately, this form may be extremely important. Doctors and hospitals refuse to give any treatment, regardless of how minor, unless they have a notarized authorization from a parent.

THE AUTHORIZATION GRANTED BY THIS FORM WILL BE USED ONLY WHEN ABSOLUTELY NECESSARY AND ONLY AFTER EVERY ATTEMPT HAS BEEN MADE TO CONTACT A PARENT.

I understand that in the event I cannot be reached, I hereby give permission to the physician or hospital selected by SYJCC camp administration to hospitalize, secure proper treatment for, and to order injection, anesthesia or surgery for my child, as named above.
