

The Butler Center's Grow2Discover is now offering Community Classes!

**Open to the public!**

## PHOTOGRAPHY CLASSES

You will learn the functions of your camera and how each setting affects the final image. We will teach you tips, tricks, and shooting techniques to help you get the most out of a camera.

**Tuesday**

**1:30-3:00pm**

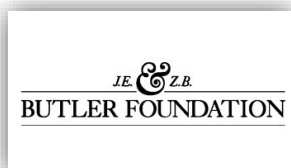

**\$60M & \$75NM**

Learn all there is to know about operating your camera. Our range of classes cover everything from basic operation to advanced composition, lighting and even an in-depth class to help you improve your artistic vision. Learn the best techniques to improve your photography from our friendly, expert instructors dedicated to ensuring your satisfaction.
