## PRESENTING OUR NEWEST ADDITION—FOR YOUR NEWEST ADDITION

### Starfish

6 months to 1 year  
Sundays @ 10am  
Wednesdays @ 4:30pm

Parents will learn how to hold their children properly, discover floating and changing body positions while in the water. Parents will be guided by an American Red Cross certified instructor to make this the best experience for both parent and child.

### Jellyfish

1 year to 2 years  
Sundays @ 9:30am  
Wednesdays @ 5pm

Instructors will review floating and changing body positions while, allowing your little one to kick, splash and stay safe in the water. We will also introduce bubbles, and safe entries and exits from the pool. Parents will continue to participate in these classes, learning about water safety and guiding their children through the water.
