ISLAND QUEST DAY CAMP

Rooted in strong Jewish values, Island Quest Day Camp brings together four separate organizations to give you a summer like no other.

Every week is something new! Every adventure shapes your future!

Travelers Grades Pre-K-2
Our Travelers sample offerings from each of our unique Quests. Throughout our Innovate, Compete, and Seek pathways, we teach our Travelers how to make choices and encourage them to learn more about what they love.

Adventurers Grades 3-6
Our Adventurers choose their own Quests each week. Beyond these incredible choices, they enjoy traditional group activities like swimming everyday. Our Adventurers are given the freedom to blaze their own path, along with the opportunity to be a part of a larger community.

Voyagers Grades 7-10
Our teen Voyagers experience a whirlwind of adventures, combining local and overnight trips to popular destinations with all the excitement of camp. Through thrilling community-based learning, and personalized journeys, our Voyagers have the opportunity to both enjoy immersive camp-based activities and explore exciting new destinations.

Leaders in Training Ages 14-15
Our LIT initiative is a hybrid program where excitement meets fulfillment. Our teens not only enjoy adventures and activities, but also lead them! LIT’s take on new responsibilities as they take part in the fun with friends, gaining valuable leadership, and planning skills along the way.

Each session includes a master class with a Broadway professional.
